**DELETE THIS  
BOX  
BEFORE  
PRINTING**

*Bulletin cover will be here. Delete this box before printing.  
Make sure that bulletins are inserted into your printer so that  
the cover appears here. If your printer does not accommodate  
double-sided printing, be sure to only print one page of this  
document at a time, then re-position the bulletins in your  
printer, and print the next page.*

*Tip: Do a test print on a blank sheet of paper and fold it to  
make sure  
everything is designed and positioned correctly. Once the design  
is the way you  
want it, begin printing on your purchased bulletins.*
