# BEFORE

# PRINTING

*Bulletin cover will be here. Delete this box before printing.*

*Make sure that bulletins are inserted into your printer so that the cover appears here. If your printer does not accommodate double-sided printing, be sure to only print one page of this document at a time, then re-position the bulletins in your printer, and print the next page.*

*Tip: Do a test print on a blank sheet of paper and fold it to make sure everything is designed and positioned correctly. Once the design is the way you want it, begin printing on your purchased bulletins.*
